

The Brant Collection

Chair: 10009	
The Brant Collection – Made in Canada. Solid wood furniture that your child will never outgrow! You will enjoy the long-term durability of solid wood and the versatility of the design. This chair features a clean and simple design, bonded leather and high density foam for comfort. Designed to tilt back safely and comfortably.	
Finish:	Golden Brown
Material:	Solid wood ensures long-term durability. Black bonded leather, soy/polyurethane foam.
Unique Features:	The warm Golden Brown colour is easy to coordinate with any style from classic to casual. The contrasting black bonded leather is low-maintenance.
	The furniture is finished with a penetrating oil that is “in the wood”. This forgiving finish is perfect for kids, as scrapes or scratches are nearly invisible so your furniture will look brand new for years to come.
	This chair has a tapered base that allows the user to tilt back safely and comfortably.
	Fully assembled – no tools required!
Care Instructions:	Wipe the wood and bonded leather surfaces with a soft, moist cloth, then dry.
