

The Brant Collection

Night Table: 10010	
The Brant Collection – Made in Canada. Solid wood furniture made with mortise and tenon construction that your child will never outgrow! You will enjoy the long-term durability of solid wood and the versatility of the design. This table offers 3 drawers on smooth running metal glides and a scratch & water resistant top.	
Finish:	Golden Brown
Material:	Solid wood ensures long-term durability. The High Pressure Laminate top on engineered wood is easy to maintain.
Unique Features:	The warm Golden Brown colour is easy to coordinate with any style from classic to casual. The contrasting black laminate top is scratch-resistant and low-maintenance.
	The furniture is finished with a penetrating oil that is “in the wood”. This forgiving finish is perfect for kids, as scrapes or scratches are nearly invisible so your furniture will look brand new for years to come.
	Fully assembled – no tools required!
	The clean design of the drawer fronts feature full width finger pulls on the top and bottom.
Care Instructions:	Wipe the wood surfaces with a soft, moist cloth, then dry. The top is carefree laminate. Wipe with a damp non-abrasive cloth, then dry.
Drawers:	Drawers operate on metal glides for easy use.
Origin:	Made in Canada.
Warranty:	Manufacturer's 1-year limited warranty.
