<p>The Brant Collection – Made in Canada. Solid wood furniture made with mortise and tenon construction that your child will never outgrow! You will enjoy the long-term durability of solid wood and the versatility of the design. This desk features a clean and simple design to keep your space looking organized and feeling productive. The workspace offers a scratch-resistant worktop and a full width drawer underneath.</p>	
Finish:	Golden Brown
Material:	Solid wood ensures long-term durability. The High Pressure Laminate top on engineered wood is easy-to-maintain.
Unique Features:	The warm Golden Brown colour is easy to coordinate with any style from classic to casual. The contrasting black laminate top is scratch-resistant and low-maintenance.
	The furniture is finished with a penetrating oil that is “in the wood”. This forgiving finish is perfect for kids, as scrapes or scratches are nearly invisible so your furniture will look brand new for years to come.
	This desk offers a full width storage drawer with enough space to organize a laptop, pens, etc. The clean design of the drawer front features full width finger pulls.
	Fully assembled – no tools required!
	The high-pressure laminate top resists scratches and is water resistant.
Care Instructions:	Wipe the wood surfaces with a soft, moist cloth, then dry. The top is carefree laminate. Wipe with a damp non-abrasive cloth, then dry.
Drawers:	Drawer operates on metal glides for easy use.
Origin:	Made in Canada.
